Charges for Extra Cost Options

A breakdown of estimated charges for your child's participation in excursions, in school performance and activities for 2020 has been included in the table following. For your child to participate you need to pay the amount asked for at the time of the event. The table shows the maximum amount that can be requested during the year.

The amounts collected varies across the year levels as each year level may do different things.

Some of the charges listed, such as PEAC, are only relevant for selected students.

Booklists

Booklists include the items that your child needs to get their work done in the classroom. Each year group has a different list. Items can be purchased from:

- Ziggies Educational Supplies which does home delivery or you can go to the local shop
- Discount store such as Officeworks, K-Mart or Big W

Please note that the brands (such as Faber, Artline etc.) have been selected by the teachers because they do not break easily. Cheaper brands do not last and need to be replaced more frequently.

There may be instances where a teacher requests that replacement items are purchased.

Additional information

If you are experiencing financial difficulties, you are welcome to speak with us to set up a payment plan.

There are some events and options that do not relate directly to education. Examples of these include school disco, lapathon, fundraising, Book Club, school photos and Book Fair. The costs associated with these have not been listed and are paid for at the time.

Payment can be made to the school bank account.
